ODSKC 2009

ODSKC 2009 will build on the successes of the past that have made this event one of the most well-attended competitions in the country. Competitors from up and down the east coast will gather in Richmond for two days of excellent competition, some of our renowned hospitality, and an auction of unique items. A full slate of dual-line and multi-line sport kite competitions will be offered on Saturday and Sunday.

NEW for 2009! ODSKC is introducing a novice class competition for Multi-line precision and ballet. If you haven't participated in a multi-line competition, this is your chance! This is an "experimental" class, we're trying to see how many folks want to compete in the Novice multi-line class. If enough new competitors participate, then an effort will be made to include Novice multi-line as a standard AKA and Eastern League competition class for the 2010 season. So, if you'd like to see this happen, it's up to you to come out and show the AKA that it can work!

In order to create a functional schedule to run all events in a timely manner, it is required that all non-Novice competitors for ODSKC 2009 pre-register no later than June 13, 2009.

BOX LUNCHES

We've made arrangements for box lunches to be served at the field on Saturday and Sunday. The cost is \$9 a day or both days for \$16. If you elect this option on the registration form, a menu and order ticket will be included in your registration packet. You can sign up for the lunches up to 9:30 AM on Saturday at the hospitality tent.

COOKOUT

There will be a cookout on Saturday night at the Murray home. The cookout will be catered and will be a 'BYOB' event. There won't be a set price for the cookout, but donations will be accepted and greatly appreciated.
